Salary: £10.50-£11.50 per hour

Contract: 1-year fixed term, with a view to making permanent

Days and Hours: Sessional Work (to include weekend work)

Locations: Worthing and Horsham

Reports to: SEND Service Coordinator

About Us

Springboard has been working with disabled children, young people, young adults and families for over 25 years. We deliver a wide range of services, support and activities in the South East, reaching over 500 families a year.

Our vision is:

A world of equality where all disabled children, young people and their families can reach their full potential.

Our mission is to:

- Facilitate and offer advice and support to disabled children, young people and their families.
- Create environments and deliver services that develop identity and build self-esteem.
- Advocate and raise awareness on disability and the barriers associated.
- Enhance children, young people and their family's physical and emotional wellbeing.

Springboard has five core values which underpin and guide the way we work in all that we do, we are:

- Caring
- Fun
- Inclusive
- Passionate
- Adaptable

SEND Session Lead

The main purpose of the job:

SEND Session Lead are key to the delivery of a variety of person-centred sessions, activities and services, for disabled children, young people, young adults and their families.

The role will work closely with Springboard's Head of Operations as well as service delivery staff and volunteers within our SEND Children and Young Peoples Team.

Working creatively and with a flexible approach, the role will support disabled children, young people, young adults and families under Springboards principles of; Value and Respect, well-being and Relationships, Aspirations and Potential and Independence and Inclusion.

SEND Session Lead are key in the operational delivery of the Springboard's strategy and help the charity achieve its vision of a world of equality where all children, young people, young adults and their families can reach their full potential.

Person Centre Care and Support

- To support children, young people, young adults with disabilities, with their physical care, personal hygiene needs and daily life tasks & skills as required by their person-centred plan (PCP), ensuring that their independence is preserved and developed as far as possible and affording appropriate levels of privacy and dignity.
- To support & facilitate communication with individual's relatives, friends, professionals and other members of staff/volunteers, to ensure the continuity of quality and safety in the provision of support.
- To work within a person-centred approach to encourage children and young people to maintain maximum independence, taking into account their physical and emotional condition, as well as their current skills, personal choices & aspirations.
- To encourage & support individuals to participate in the running of the service provision.
- To help individuals with mobility and other physical or sensory disabilities and assist in using support aids and personal equipment.
- To actively encourage individuals to participate in programmes and activities as identified in their PCP.
- Where required, to administer medication in line with training received and policies/procedures of Springboard.
- To become familiar with any changes in the individuals' condition or situation at the beginning of each session/activity, as well as any associated changes in the working environment, premises or location.
- To ensure that record-keeping is maintained and updated in an accurate, timely and confidential manner.
- To report & record any incidents or events that may have an impact on the individual's PCP, liaising with the immediate supervisor (and/or any other relevant staff/volunteers) as appropriate.
- To be responsible for maintaining and improving own knowledge and skills through experience and training.
- To maintain an awareness of an individual's care plans and risk assessments relating to specific support needs, for example, dysphagia, mobility & safety.
- Where required, to escort and assist individuals in and around the service environment, as well as in the wider community.

Safety and Safeguarding

- To carry out all duties in line with Springboard's safeguarding policies and procedures.
- Maintaining high standards of environment safety, safeguarding and quality as well as ensuring an adaptable, inclusive and caring atmosphere.
- Support risk assessment for all activities, sessions and services including tailoring risk assessments to the specific needs of the individuals or group attending.

- To communicate with the SEND Service Coordinators and ensure the safe transport arrangements for service users, staff and volunteers during sessions
- To attend and keep up to date with relevant training and qualifications to meet the role requirements, and provide high-quality service provision and outcomes for disabled children, young people and their families.
- Support the development and review of risk assessments and care plans to support disabled children, young people and their families in reaching their potential and safe working practices are in place.
- Work in line with Health & Safety and Data Protection procedures, and legislation compliance and ensure Springboard meets all statutory obligations taking prompt corrective action to address anomalies, inconsistencies or risks.
- To work within the regulatory compliance requirements applicable at the respective service.
- To participate in supervision, staff meetings and training activities (including updates) as required, sometimes off-site and outside of normal working hours.

Resources, Data and Systems

- Support with case recording, and case management alongside monitoring, evaluation and reporting in line with Springboard's systems, policies and procedures.
- Support Springboards monitoring, evaluation and case management system, ensuring that best practice use is maintained.
- Store and manage documents with the file management system about operation delivery.
- Ensure that records are accurately maintained and errors or duplicates are identified and corrected as required.
- Work in line with Health & Safety and Data Protection procedures, and legislation compliance and ensure Springboard meets all statutory obligations taking prompt corrective action to address anomalies, inconsistencies or risks.

General Duties

- Contribute to achieving the overall vision of Springboard
- Attend, participate and chair team meetings as and when required
- Present a professional appearance, help maintain an orderly working environment, and act at all times to uphold the reputation of Springboard.
- Ensure everyone's experience of Springboard is positive.
- Work within professional boundaries maintaining safety, safeguarding and appropriate confidentiality at all times.
- Work cooperatively with colleagues and encourage good teamwork, clear lines of communication and common practices within Springboard's teams.
- Comply with all published Springboard policies and procedures.
- Work flexibly to undertake such other reasonable duties and responsibilities, at any location within reasonable daily travel from your main place of work.
- Participate in undertaking periodic reviews of this job description for consideration by the management team and trustee board.
- Undertake any other tasks as directed by SEND Service Coordinators and/or Operations Manager.
